*THE VINTAGE TREE*  
N U R S E R Y

---

Thank you for your interest in our bare root catalogue for 2024

The trees listed in the catalogue are varieties suited to the Riverina and South West Slopes districts. If the tree you are looking for is not listed, please let us know and we will make an inquiry with our suppliers.

As per our previous years we are offering a 10% discount on orders placed and paid for by the 31<sup>st</sup> March.

We source premium Grade 1 grafted bare root trees from our suppliers, these are listed in this catalogue. As well, we grow on a large selection in the nursery for advanced trees sales.

Our main part of the business is growing advanced trees for councils for street tree and park planting. There requirement is for uniformity, healthy stock grown in similar climatic conditions using the Rocket Pot® growing system.

We thank you for your support and look forward to meeting your bare root tree requirements.
